

Hailed as a 'National Treasure' the star-studded and charismatic Ali Harper is the real deal! A singer, actor, producer, writer, singing coach and yoga teacher, Ali brings a vibrant and professionally warm energy to any event she MC's.

With over 30 years in the entertainment business, Ali Harper has been awarded Best Actress and Best One-Woman play in New York as well as in Aotearoa and starred as the leading lady in many of the great musicals.

As a writer and producer, Ali frequently tours with her shows; 'The Look of Love - A tribute to Burt Bacharach,' 'A Natural Woman - Celebrating the music of Carole King,' 'Legendary Divas,' and 'A Doris Day Special' on land and as a guest entertainer on cruise ships around the world.

---

'Ali is a wonderful and engaging MC. She was fantastic at making things run smoothly and I sincerely hope we get to work together again.'

*John Purcell, Chairman - NZ Parking Association*

'Ali was professional, energetic and engaging. Not only was she a fantastic MC on stage, she was amazing at helping to support our speakers. We received great feedback on how professional our event was, and a lot of that can be attributed to Ali keeping us on track, ensuring seamless transitions between speakers and maintaining the energy in the room throughout the day.'

*Jamie Gray, Head of Public Affairs & Communications - Airways Safety Conference*

'Ali was terrific as both an MC and entertainer at our conference. Our guests were truly moved by her performances on and off the stage. Ali's light-hearted words came at just the right times which broke up what can be a very 'dry' subject matter event.'

*Owen Goodwin, Executive Director – The NZ Credit and Finance Institute*

'Ali was MC for our 350-person health-IT conference. She did a fantastic job keeping 40 speakers running to time and maintaining audience attention throughout two days of fast paced presentations. Ali has a lovely balance of focused professionalism and a relaxed engaging style onstage. Highly recommended MC!'

*Kim Mundel, CEO – Health Informatics New Zealand (HINZ)*
